The screenshot shows the 'Add Tenant' form in Zoho Creator. The form is divided into several sections: 'Property Buying from', 'Property Seller Phone Number', 'CUSTOMER DETAILS', and 'Apartment Details'. The 'CUSTOMER DETAILS' section is currently active, showing fields for Name (First Name, Last Name), Mobile (with a dropdown for country code and a text field for the number), Occupation (a dropdown menu), Email, and Marital status (radio buttons for Married and Single). The 'Apartment Details' section is partially visible below. The form is displayed on a desktop screen with a sidebar on the left containing navigation links: 'Property Buying and Ren...', 'Rental Details', 'Tenants', and 'Add Tenant'. The top of the screen shows the Zoho Creator interface with tabs for Design, Workflow, and Settings, and a trial expiration notice.

The screenshot shows the 'Add Tenant' form in Zoho Creator, continuing from the previous view. The 'Apartment Details' section is now active, showing fields for Apartment Type (a dropdown menu), Do you have pets? (radio buttons for Yes and No), Total number of occupants (a text field), and Move-In Date (a date picker). Below this is the 'Previous Residential Details' section, which includes an Address field (with sub-fields for Address Line 1 and Address Line 2), City / District, and State Province. The form is displayed on a desktop screen with a sidebar on the left containing navigation links: 'Property Buying and Ren...', 'Rental Details', 'Tenants', and 'Add Tenant'. The top of the screen shows the Zoho Creator interface with tabs for Design, Workflow, and Settings, and a trial expiration notice.
